5TH MARCH, 2014.

DEAR SIR/MADAM.

SUBJECT. WATER MAIN REPLACEMENT.  
LYNMOUTH GROVE, BOMADERRY.

WE WOULD LIKE TO ADVISE THE COUNCIL ENGINEERS RESPONSIBLE FOR THE RENEWAL OF WATER MAINS AT LYNMOUTH GROVE BOMADERRY OF OUR ASSOCIATION WITH THE CONTRACTORS LEDONNE.

AT ALL TIMES WE FOUND THE WORKERS HELPFUL AND CO-OPERATIVE. EACH DAY THEY LEFT THE SITE CLEAN AND NEAT AND ANY NECESSARY ANCILLARY EQUIPMENT WAS NEATLY STORED. THEY ALSO MADE A SPECIAL EFFORT OF AVOIDING THE SMALL STAKED NATIVE PLANTS IN THE NATURE ISLAND.

THE WORK HAS BEEN COMPLETED TODAY AND GOOD QUALITY TOP SOIL WAS DISPERSED OVER THE DISTURBED TRENCHES AND NEATLY RAKED AND SEEDED. PLEASE CONVEY OUR APPRECIATION TO THE COMPANY AND THE WORKERS.

KIND REGARDS  
Rob Wallis
